

Norfolk Conservatives

Delivering a Better Norfolk

New Buses

We have **invested over £49 million** in new bus services, introducing 70 electric buses and over 40 improved routes with increased frequency and weekend services.

The **£2 bus service**, introduced by the Conservatives, has boosted bus usage by 16%.

Fixing Potholes

Norfolk Conservatives prioritise road maintenance, **investing over £160 million** since 2021.

We are also acquiring new equipment to fill up to 500 potholes per week.

Valuing Our Libraries

Unlike many other councils, Norfolk Conservatives have **kept all our 47 libraries open**, investing over £12 million to transform key locations into community hubs.

With your Norfolk Conservatives, **your libraries are secure.**

Safety First

We have **invested £13m in our Fire and Rescue Service**, including 22 new fire engines, enhancing the ability to perform life-saving emergency rescues and combat fires across Norfolk.

Norwich Castle

We are leading a **£14 million project** to repurpose Norwich Castle into a cultural gem for our historic county.

A record of delivering **quality services**

Sound **financial management** and value for money

Stepping in to **support Norfolk's pensioners** this winter

Connecting Norfolk

We have provided **Superfast Broadband to 97.5%** of Norfolk, with 61% now accessing Gigabit technology through Project Gigabit.

Caring for our environment

We have **planted over 500,000 trees** in Norfolk, aiming for 600,000 by March 2025.

Additionally, we completed a **£1.3 million boardwalk on the Norfolk Coast Path National Trail** for better access. We also invested £1.1 million in farming initiatives to support local communities and are leading on action to prevent flooding.

Good Children's Services

Our Children's Services Department is **rated GOOD by OFSTED**, and we are investing over £200 million in special educational needs schools.

This year alone we have allocated **£35 million for additional teaching assistants in local schools** to ensure our children get the best start in life.

Building Quality Care

We have completed **two housing with care facilities and plan to construct seven more**, all designed to ensure dignity and quality of life.
